Beyond the Vanishing Point by Ray Cummings - Free Ebook

Vanishing Point is a 1971 American action film directed by Richard C. Sarafian, starring Barry Newman, Cleavon Little, and Dean Jagger. Essentially the story of a disaffected ex-cop and race driver who is delivering a souped-up car cross country to California while high on speed ('uppers'), being chased by police and meeting various characters along the way, the film has become a cult movie.

To prevent having to put my arm in a sling (it has happened), I used this hatching method with a tiny brush combined with a mixer brush for smoothing. This freed me from having to change brush size and prevented the delay in each brush stroke that I had with a larger brush that was a result of the large file size.

Vanishing Point simplifies perspective-correct editing in images that contain perspective planes—for example, the sides of a building, walls, floors, or any rectangular object. In Vanishing Point, you specify the planes in an image, and then apply edits such as painting, cloning, copying or pasting, and transforming.
