American Exceptionalism and the Politics of Foreign Policy ...

Read Free Exceptionalism And The Politics Of Counter

American exceptionalism is really just another name for a particular version of American nationalism. American nationalism is stirring -- and being stirred -- for a number of reasons. Its reawakening has complicated the foreign policy politics for the Obama administration and its Republican challengers.

Exceptionalism is the perception or belief that a species, country, society, institution, movement, individual, or time period is "exceptional" (i.e., unusual or extraordinary). The term carries the implication, whether or not specified, that the referent is superior in some way. Though the idea appears to have developed with respect to an era,
