Making Things Happen doesn't cite specific methods, but focuses on philosophy and strategy. Unlike other project management books, Berkun offers personal essays in a comfortable style and easy tone that emulate the relationship of a wise project manager who gives good, entertaining and passionate advice to those who ask.

Making Things Happen: Mastering Project Management by ...

"Making Things Happen" is a project management book that breaks away from the usual mold. There is so much emphasis on a PMP certification that many project management titles have become dry recitations of the PMBOK. Not so with this book! The book is eminently readable, and the advice is well-grounded in real-world experience.
