Move, Mount, Shoot is the only compre Move, Mount, Shoot describes the maintained lead method, an easily learned technique which will help both novice and expert alike achieve spectacular results. The book also examines the importance of mental preparation,. and includes advice on choosing a gun and equipment.

### **Move, Mount, Shoot: Champion's Guide to Sporting Clays ...**

An excellent overview of the Move, Mount, Shoot technique. Mr. Bidwell's credentials are impressive - a multiple time world champion in FITASC is no menial feat. I don't believe the book was intended to have people learn the technique from simply reading the book, but it is an excellent companion to lessons.
