### **The Joy of jQuery: A Beginner's Guide to the World's Most ...**

True joy can be sought, but it must be sought God's way. It must arise as a product of yielding wholeheartedly to the creative purpose God, the Master Creator, is working out in our lives. Joy that is a fruit of God's Spirit has its roots in the realization of God's purpose and its outworking that transforms us into His image.

### **The Joy of jQuery: A Beginner's Guide to the World's Most ...**

The Joy of jQuery. When you're building the next great web application you basically need two things: 1) a back end to store and process the work that your application performs (for this I recommend PHP and MySQL -- and my first Kickstarter project 'The Joy of PHP') and. 2) a front end that sizzles.
