In every society since the start of history, whenever you broke down any population this way, you'd always get a pyramid. But from 1960 to 2060, our pyramid will turn into a rectangle. We'll have almost as many Americans over age 85 as under age 5. This is the result of longer life spans and lower birthrates.

The Next America - Boomers, Millennials & Technology Showdown

Millennials, also known as Generation Y, are the demographic cohort following Generation X and preceding Generation Z. Researchers and popular media use the early 1980s as starting birth years and the mid-1990s to early 2000s as ending birth years, with 1981 to 1996 a widely accepted definition. Millennials are sometimes referred to as "echo boomers" due to a major surge in birth rates in the 1980s and 1990s, and because millennials are often the children of the baby boomers. The characteristics
